LONG LASTING PERFORMANCE

PERFORMANCE DEFINED

TIRE LIFE

Trelleborg products guarantee **the best wear** performance in the industry.
This results in longer tire life, **additional hours of usage**, reduced downtime and lower maintenance costs.

ENERGY SAVING

Trelleborg is the **largest approved tire manufacturer to the OEMs**. We work closely with them to ensure we meet the requirements of energy consumption.
This results in **reduced fuel costs** for our customers.

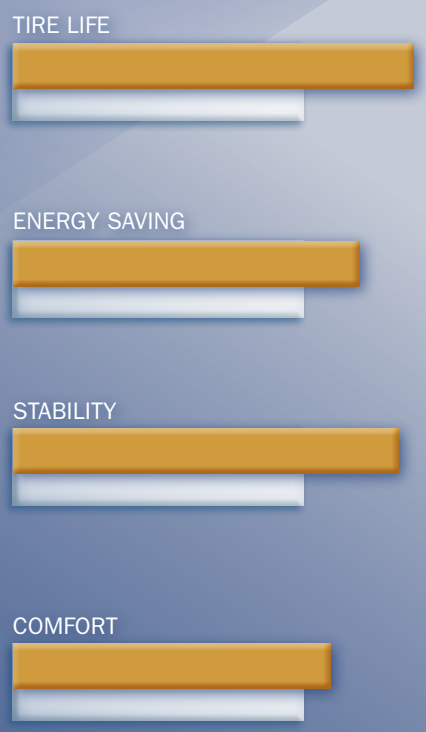
STABILITY

Trelleborg products are designed to have **large footprints** giving a maximum contact area leading to better stability and even tire wear.

COMFORT

Trelleborg understands the requirements of a **safe working environment.** Our products are designed to reduce vibration and **keep noise to a minimum level.** We follow the strictest regulations for work safety while providing a comfortable ride.

PERFORMANCE AGAINST PREMIUM COMPETITOR



TRELLEBORG PREMIA

Premia solid tires are designed for long lasting performance. The square footprint provides even wear and increased stability. The combination of advanced compounding and premium natural rubber combines to create a tire that has excellent heat resistance. Operating at lower temperatures reduces the risk of premature failures.
Premia is available in a wide range of sizes and special compounds. It's the reliable solution for all your material handling needs.
